Food for Life

Our Food for Life program continues to serve approximately 50 people every week who are food challenged. Those who require food can come any time after 10:30 on Tuesday mornings. They receive a bag filled with fruits and vegetables, and sometimes we can supplement it with meat or baked goods.

A very special thank you to the volunteers who have adapted so easily to our new normal.

The Parish Grounds

During these times, things are most certainly different, but one thing that remains the same is the beauty of our church property. Everything is in bloom. The trees are out and the butterfly garden is really coming along. We may not be able to use our church buildings right now, but it is worth just visiting for a sit on the benches and listen to the plethora of birds visiting there.

The gardens also need weeding and shrubs need pruning to keep the gardens in the condition we all enjoy. Would you be interested in giving some time to adopt a garden? If a whole garden is too much, how about helping on “Weeding” days? If you can spare some time, please contact Michael Skafel at mgskafel@outlook.com or at 905-617-3696.

The Church Office summer hours: Tuesday-Thursday 9:00am to 3:30pm (closed for Statutory Holidays) until after Labour Day.
