# El Hogar Virtual Mission Experience

Have you ever thought of travelling on a team to El Hogar in Honduras? Now you can do it in an hour from the comfort of your home. Have you been to El Hogar and want to see how it is changing? Time or finances, or other barriers might be a barrier to this. Here is your chance to “almost” take this trip in only an hour. El Hogar is putting together together an amazing, partly live presentation to let you meet the students and staff and see how this place does its work. Our own Erika Skafel, now working for El Hogar in Honduras has had a key role in putting this together. Check out the links on this poster for more information.

**Join us  
October 23rd, 2021**

**El Hogar's immersive,  
virtual multi-media  
event.**

**Meet** three students and one alumnus who share stories of their personal history and their transformation and growth at El Hogar.

**Witness** how the faculty and staff at El Hogar have created a safe and nurturing space that allows so many children from such vulnerable circumstances to blossom and thrive through learning, expression and renewal.

**Delight** in the beauty, culture and cuisine of Honduras.

**Hear** from Executive Director Denise Vargas about the amazing faculty and staff that make this transformation possible.

**Connect** with the people and programs of El Hogar and support our ongoing mission to provide a home, an education and a future to so many deserving children and youth in Honduras.

**Interact** with the El Hogar community and win some fun prizes.

**Christmas/Winter Newsletter Deadline November 1<sup>st</sup>**

Please start collecting your photos and firming up your group plans for the next issue of the newsletter covering December, January, and February. The newsletter is a chance to highlight both recent accomplishments and future plans. In addition to typical submissions, we are planning a special "Time and Talent" section for groups to highlight opportunities for people to get involved in St. Luke's activities. Your submission should be similar to a help wanted ad, two to four sentences describing what the volunteer need is and how to connect. All newsletter submissions can be directed to [newsletter@stlukesburlington.ca](mailto:newsletter@stlukesburlington.ca)
