GOOD NEWS about our Refugee Family

We received notice that the Al Alems are ready to come to Canada! We are just in the process of finding a final location to live when they arrive. Although they have been vaccinated, we still must prepare a Quarantine Plan before Immigration Canada will release them and book their flights. When we get these final issues sorted and complete, they could be on their way soon. The Hajj-Kasems are so excited to see their sister and daughter and the little children. And so are we as we finalize an apartment for them. You will see a notice in this bulletin for the opportunity to donate household items for them. Check it out.

Refugee Family

Our Refugee Family should be arriving before Christmas. I am looking for furniture and bedding. food, etc., to collect for them.

If you are interested and you have something to donate, please call me. There is also the alternative to donate gift cards. This will help greatly when they arrive - to help them buy their own winter boots for the children or to shop for their own food. If you would like to donate any gift cards (PC, Walmart, Shoppers, Winners) you can do so by dropping them off at the church office. Just be sure that they are marked "Refugee Family" in an envelope. We thank everyone for their support.
