Friends of St. Luke is on again this year

Save the Date - Wednesday, August 31st, 2022

On the last Wednesday afternoon in August, we hope to be able to host a delayed 50th Anniversary Friends of St. Luke's Day special event. This is an event for the benefit of our most elderly parishioners who are no longer able to attend in-person services due to age related factors. Many of these individuals have played an important part in the life of St. Luke's in the past, and we want them to know they are still appreciated and not forgotten. For the afternoon to be a success, we will need volunteers to transport; to meet guests as they arrive at the drop off point and accompany them to the church, to the parish hall, and back to the pickup point; welcomers, ushers, help in the kitchen and serving, etc. To ensure success, we are asking to keep the afternoon of Wednesday, August 31st free, and to please volunteer as you are able.

To volunteer please call or email Lesley Emery at (905) 802-7198 / echidna77@icloud.com.

Please note, I will be away on vacation from July 28th to August 20th inclusive, and would appreciate hearing from you before going away if at all possible.

Kitchen / Serving volunteers can contact Martha Hemphill at Hemphill829@cogeco.ca

Thank you!

FRESH FOOD BOX FOR HALTON

Summer is officially just around the corner – at last ! In addition to enjoying lots of sunshine, major league baseball, and other pursuits, fruits and vegetables are now at their best. So why not think about ordering a selection of local fruit and vegetables through the Fresh Food Box for Halton program - at a very good price.

Two box sizes - \$10 and \$20. Two delivery dates each month. A reminder to pick up your orders of fresh produce on the next delivery date, which is Tuesday June 21, between 3:30 p.m. and 5:00 p.m. at the Parish Hall.

Place your order by **Thursday June 16** for the delivery dates on **July 5 and 19**. Just put your payment (cash only) and contact information in an envelope marked “**Fresh Food Box**” and place the envelope in the dropbox in front of the Parish Hall. Please remember to indicate the size of food box that you wish to order for each delivery date.

Cemetery news – New Columbaria and more

The new columbarium niches are now available. Those of you who have been through the churchyard recently will know that not only are the new columbaria in place, but also the surrounding gardens are planted and thriving in the spring weather. If you are interested in acquiring a niche, please contact Michael Skafel of the Cemetery Board to arrange a viewing and learn about the options. In addition, there are a few urn plots available in the cemetery.

ST. LUKE’S DONATION ENVELOPE USERS

Many parishioners who use a box of St. Luke’s donation envelopes have not yet been able to pick up their new ones for 2022.

They are available in the office if you are able to stop by.

If you are still not attending in person services and have been mailing or dropping off your donation in an envelope from a previous year, be sure to write your name on the envelope. Envelope numbers often change year to year and an incorrect envelope number could mean that your donation is credited to the wrong person. If you include your name we are able to look up your new number and insure that you get credit for it. Thank you for your help.

LIKE RUTH and NAOMI (See: book of Ruth)

Sunday, 1 July, at 11:45am, in Room 201, any women who are widows are welcome to join in a casual gathering after church. For the time being, I encourage you to bring your own lunch. Coffee, tea (and wine!) will be provided. Rather than a (bereavement) support group, this is a supportive group. We will begin with a short prayer, and then the rest is up to you -including how much you participate in these meetings. We will be gathering on the 2nd Sunday of each month. For more information, please contact Rev. Sheila Plant.

PARKING COURTESY ON CHURCH DAYS

We have two Sunday parking options on Elgin St: the 6 spots just off the lawn, and the lot across Elgin, on Church Ave.

As you may imagine, the spots just off the lawn are sought after by folks with any sort of mobility challenge, also wanting to park.

If such is not your own case -whenever able, on Sundays, please consider parking in the lot across Elgin St. instead. Thank you!

BICYCLES for MIGRANT FARM WORKERS

St. Luke's is again collecting gently used bicycles and related equipment for migrant farm workers in Niagara Region. Bicycles can be picked up at your home. Alternatively, bicycles may be brought to Janice and Michael Skafel's home at a mutually convenient time. We will arrange for delivery to St. Alban's Church in Beamsville. If you have a bicycle to donate, please contact

Dave Beck at (905) 632-0489. A quick clean-up of the bicycle and checking the brakes and steering would be appreciated. Helmets, bike locks, bike lights and reflective vests are also needed.
