THE SUMMER NEWSLETTER

We would love to have your contribution to the Summer newsletter. Submissions should be sent to newsletter@stlukesburlington.ca on or before May 6th. Pictures and articles from St. Luke's events in March, April, and May help parishioners learn about the many activities at St. Luke's and your plans for June, July and August make us all aware for dates we need to save for the Summer. Pictures really help tell the stories. Appeals for where we need volunteer help to grow our community impact are also welcome.

Thanks for your continuing support of the newsletter. The current newsletter is available on the church website www.stlukesburlington.ca under "News and Updates". Submitted by Rick Reycraft

St. Luke's Speaker's Lunch on May 9th, 2024

Artificial Intelligence is everywhere!!!!

On our computers, in robots, in the way we make movies, how we measure our health and how we write.

In a compelling presentation, Brian Lenahan, A.I. & Quantum Advisor at Innovation Factory (Hamilton) and Haltech (Burlington), will share what AI is, how it has evolved and how it's being used today, in a comfortable, story-based format.

Please join us and you'll have a better understanding of what A.I. is, how it is used in your everyday life and what is good (& not so good) about it.

Doors to the Parish Hall open at 11:30am, with the presentation commencing about 12:20pm. Bring your own "brown bag" lunch and we will provide the refreshments. A free-will donation of \$5 is appreciated.

Sunday, May 12 (Mother's Day) – Men's Choir!

Before Covid-tide, we had the tradition of having a "Men only" choir for Mother's Day and a "Women only" choir for Father's Day. The time has come to resurrect this tradition!

It is time for the men to serenade their significant others in honour of Mother's Day. Any and all are welcome! We will meet in the church basement at 9:30 AM for our practice of hymns and a simple anthem (our regular choristers will have had a preview, and will be able to help you!). Please contact the office and leave a message for Jennifer (or email her at jgoodine@stlukesburlington.ca), so that she knows how many to expect. We look forward to singing with you!

THE HARLEQUIN SINGERS

in concert on **Saturday May 25, 2024** at 7:30 p.m. in our Parish Hall.

The return of the Harlequins means an evening of amazing music and wonderful entertainment. A reception will follow.

Theme is "*Celebrating the History of Broadway*" and this concert will support Children in Need in our community (Jayne's Fund) and the children at risk in Gaza.

Tickets are \$25 and can be obtained at Coffee Hours from today or by calling 905-681-6097

Attention Avid Photographers!

We are looking for your snaps of St. Luke's (buildings, people and places) to get a really good pool to use for our 2025 calendar. We may not be able to use your submissions, but appreciate all your help.

You can send your digital submissions to hbittner@cogeco.ca, by **May 31, 2024**.

BICYCLES FOR MIGRANT FARM WORKERS

Spring has finally arrived in our part of the world, and the growing season in Niagara is about to begin. Now, the Migrant Farm Workers Project has no available space for storing and reconditioning used bicycles. Therefore St. Luke's currently is not requesting donations of used bicycles, however, there is a need for bicycle locks (with keys), lights and reflectors, helmets, and reflective vests for the use of the migrant farm workers who work in the fields and vineyards.

Bicycle-related equipment can be picked up at your home. We will arrange for delivery to the Project's depot at St. Alban's Church in Beamsville. If you have any items to donate, please contact Dave Beck at (905) 632-0489.

If you wish to make a financial contribution to support the work of the Migrant Farm Workers Project, you can do this through the website: migrantfarmworkers.ca. Thank you to all who can offer support for this important Mission.

OFFERTORY BEARERS

(an important part of St. Luke's worship)

At the beginning of the Offertory hymn the bread and wine (gifts of the people) are brought to the Altar by two members of the congregation and are presented to a server at the altar rail in preparation for consecration before Communion. The bread, wine and the collection presented by the sides people at the end of the hymn represent our lives, our work, our recreation, our families, and our community. In other words, we offer to God all that we have and all that we do. This is called Stewardship. If you are willing to be a member of one of our Offertory teams, please contact Rev.
