Doors Open in Burlington on August 10th

As part of Heritage Burlington, there will be several locations where the doors will be open to heritage sites and noteworthy historical buildings in our community. St Luke's is planning to open our doors to the public again this year as part of our 190th celebrations, but we need volunteers. If you can help between 10:00 and 2:00, please contact Janice Skafel at janice.skafel@outlook.com or at 905-617-1941. Can you do a full shift or half a shift? Please let us know.

FRIENDS OF ST LUKE'S HYMN SING AND AFTERNOON TEA

Each year about this time we begin making plans for Friends of St. Luke's. This is an afternoon event held once each year, and will be taking place this year on **Wednesday, August 28th, at 2pm**. We host it in recognition of the contributions of time, talent and financial support made over the years by our most elderly parishioners, who are still part of our parish family but may be unable to attend regular services due to advanced age, health and mobility issues.

It consists of a short service and hymn sing in the church, followed by sandwiches, tea and treats for our guests in the parish Hall.

We begin canvassing for volunteers during the month of June, hoping to get a roster of willing volunteers before everyone goes away on holidays. If you feel that you can help once again, or for the first time, please do call one of us at the contact info provided below, according to which area you wish to volunteer in. Martha will be happy to hear from anyone wishing to help out with set up, in the kitchen and with serving, and I will be canvassing for people who can help transport guests to and from their homes to St. Luke's, Welcomers, Ushers and Curb-side help.

We hope you can join us in helping to make this event enjoyable for all.

Many thanks in advance to all of you who are willing to help.

St. Luke's Speaker's Lunch - September 12th, 2024 at 11:30am

Please join us as we return from our "summer vacation", to hear about a brief history of Kilbride, Cumminsville and Willbrook. Our guests from the Kilbride History Group will talk about the birth of these three villages in the mid 1800s and how they thrived just 1 kilometre apart for many years.

You will learn about the store that rivaled Timothy Eaton's, the many mills along Brittas Creek, the controversy of the Dakota Mill name and the explosion that was heard as far away as St. Catharines. We may also hear about the imposter who practiced medicine in the village . . . and more.

A fascinating part of our local history!! **Everyone Welcome!**

Doors to the Parish Hall open at 11:30am, with the presentation commencing about 12:20pm.

Bring your own lunch and we will provide the refreshments.

A free-will donation of \$5 is appreciated.

USED CLOTHING IS NEEDED FOR MIGRANT FARM WORKERS!

There is always a need for used clothing for the thousands of migrant farm workers who work in the fields, vineyards, and greenhouses in Niagara Region. Donations of gently used long-sleeved shirts, jeans (size 32-36), work gloves, and socks would be greatly appreciated to keep the "Tiendita" (thrift shop) well stocked as the growing season continues.

Washing and folding any donated items would be helpful. Please place donations in the blue rubber tote under the coat racks in the foyer of the Parish Hall. We will transport the clothing to St. Alban's Anglican Church in Beamsville.

PWRDF RESPONSE TO HURRICANE BERYL

PWRDF has committed \$5,000 in response to Hurricane Beryl as it tears through the Caribbean and Mexico and is also accepting donations to support communities where needs are greatest.

Hurricane Beryl made landfall Monday in St. Vincent and the Grenadines and Grenada as a Category 4 Hurricane. Carriacou (one of three islands that make up Grenada) was directly hit with 222 km/hour winds. As Beryl gathered momentum moving across Jamaica and Mexico, it was upgraded to Category 5. By Friday, 9 deaths were being attributed to Beryl.

PWRDF will work with the Anglican Alliance (a coalition of 10 Anglican aid agencies, including PWRDF) or the aid agency best suited to provide immediate support.

While dealing with the impact of the hurricane in his own island home of Grenada, the Anglican Alliance's Caribbean Facilitator, Clifton Nedd, shared his extreme concern for the islands directly in Beryl's path. "Hurricane Beryl caused catastrophic damage, especially on the island of Carriacou [and since then on Union Island]. It is heartbreaking to see the images and videos that are emerging. There will be a fuller assessment in daylight hours. The destruction appears to be total, and the impacts are physical, material and psychological."

How you can help

You can donate by etransfer please mark for Hurricane PWRDF or by cheque payable to St Luke's on memo line Hurricane PWRDF. Thank you, contact Jackie Maver 905 681 6097

OFFERTORY BEARERS

(an important part of St. Luke's worship)

At the beginning of the Offertory hymn the bread and wine (gifts of the people) are brought to the Altar by two members of the congregation and are presented to a server at the altar rail in preparation for consecration before Communion. The bread, wine and the collection presented by the sides people at the end of the hymn represent our lives, our work, our recreation, our families, and our community. In other words, we offer to God all that we have and all that we do. This is called Stewardship. If you are willing to be a member of one of our Offertory teams, please contact Rev. Sheila Plant or Terry Raybould (email pokeyc@icloud.com or phone 905-681-2816)
