**Annual Vestry Meeting Sunday February 9th in the Parish Hall following  
the 10 am service**

This is a very important meeting for our parish, please try to attend.

\*\*\*\*

If you sometimes feel a little chilly in church and would appreciate a little extra warmth, please see one of the sides people and they will be very happy to lend you a shawl. We ask that you please return it to them at the conclusion of the service.

## What Happens Next??

With the announcement on Sunday that Stuart is retiring in 4 months, we are all wondering what will happen next. Here is a brief summary:

- The transition process begins with opportunities for us all to thank Stuart and celebrate his accomplishments.
- An interim priest will be appointed to assume responsibilities until a new rector is appointed.
- A parochial committee is formed by the wardens and synod delegates to facilitate the transition and keep the congregation informed.
- The diocese supports the committee in conducting a self-study to define the parish's current state and future mission to help define the requirements for leadership.
- The rector position is advertised, and interested clergy apply.
- The committee and bishop review candidates, interview them, and recommend a preferred candidate to the bishop.
- The committee ensures the new rector has everything needed for a smooth start.

The upcoming vestry will be an important one as it will establish the wardens and synod delegates for the parochial committee. Our Mission Action Plan we have underway will be important input to the self-study described here.

## **Kids Corner Update** **Welcome to Our New Sunday Gatherings**

Hello everyone,

We will gather at the front for a chat and prayer, then proceed to the Parish Hall to spend our time together.

I have registration forms for Sunday School for anyone wanting to take part in our adventures. These will be available in hard copy in both the church and the main floor lobby of the church hall.

**There is a need for regular volunteers on a weekly basis.** Please contact me if you are available. This new venture is a community initiative and needs our total commitment if it is to happen safely and consistently. I would also like to see parents coming up to the Sunday School room after church to pick up their children. We are excited about this new ministry and welcome any ideas and gifts you might be able to offer as a community of faith.

Thank you so much!

## **St. Luke's Speaker's Lunch Presents;**

On **February 13<sup>th</sup>** and in recognition of Black heritage month, Richelle Papin will share her experiences, challenges, memories and strengths about growing up as a person of colour in Burlington, Halton and Southern Ontario.

While born in Canada, she lived her early years in Ghana, returning to live in Burlington at the age of 6.

She had many interesting and colourful career moves in her professional life, retiring from the federal government.

Along her life's journey, she discovered a world known to some and not others. A world where privilege is not always clear and understood. She was able to see the world outside of Canada as a child and an adult and see some of the inequities that are part of other people's lives.

She will share some of these experiences with us.

Everyone is welcome. Doors open at 11am. Bring your own lunch.

## **"Aging Well Clinic" at St Luke's**

The Burlington Family Health Team (BFHT) is a primary care organization that provides access to interdisciplinary care in Burlington.

This team of healthcare professionals provide assessment, treatment, education and health promotion services that focus on early identification and intervention, illness/disease prevention, health promotion as well as support for self-management of chronic health conditions.

The Aging Well clinic offers this health screening for people 55+ in Burlington to help identify risk factors that develop as we age and could contribute to various health conditions.

We are delighted that this clinic has now collaborated with St Luke's to have the screening and assessment clinic in our church. It will take place every 2<sup>nd</sup> and 4<sup>th</sup> Thursday afternoon of the month. It covers various aspects of aging well, understanding common health challenges faced by seniors, and exploring resources available in our community to support healthy aging. Best of all, the clinic is of no cost to the community.

You will need to make an appointment for your 1/2-hour assessment at [www.burlingtonfht.com](http://www.burlingtonfht.com) or call (289) 962-1064. Remember, the Burlington clinic is supported by funding from the Government of Ontario.

Any questions? Call Janice Skafel at 905-617-1941 or Heather White at 905-467-2922

### **OFFERTORY BEARERS**

(an important part of St. Luke's worship)

At the beginning of the Offertory hymn the bread and wine (gifts of the people) are brought to the Altar by two members of the congregation and are presented to a server at the altar rail in preparation for consecration before Communion. The bread, wine and the collection presented by the sides people at the end of the hymn represent our lives, our work, our recreation, our families, and our community. In other words, we offer to God all that we have and all that we do. This is called Stewardship. If you are willing to be a member of one of our Offertory teams, please contact Rev.
